⁵ Available to Lexus Financial Services lease customers that do not reside in Alaska or Hawaii and whose leases did not originate in New Hampshire or Wisconsin.

⁶ Excess wear and use charges may be based solely on the optional inspection prior to maturity. Should you not take advantage of such inspection, one will be ordered upon return of the vehicle.

If repairs are made to your vehicle before turn-in, you or the dealer may request an inspection upon turn-in.

⁷ Under certain circumstances, Lexus Financial Services does not charge its lease customers for excess wear and use damage.

All charges may be subject to sales tax.

SCHEDULE A COMPLIMENTARY VEHICLE INSPECTION

In preparation for lease-end, we recommend you take advantage of an optional inspection.⁶ Schedule your complimentary inspection appointment to take place 15 to 60 days before you return your vehicle and discuss any repairs with your dealer to determine how they can help. If you have not yet scheduled an inspection, call (855) 90-MY-LFS to speak to an AutoVIN specialist or visit LFSLeaseEnd.com to link to AutoVIN and schedule an appointment online. An inspection is:

CONVENIENT

- Inspectors can meet you at your home, work, dealer, or other preferred location

INFORMATIVE

- Knowing the condition of your vehicle before the end of your lease allows you to make well-informed decisions
- Discussing vehicle condition with your dealer may be beneficial in helping make your lease-end decision

THOROUGH

- Detailed condition reports, itemizing any excess wear and use, are available shortly after inspection

REVIEW WEAR AND USE GUIDELINES

Should you elect to return your Lexus, you may be charged if there is damage exceeding normal wear and use.⁷ To better understand what is considered excessive, review our Wear and Use Guidelines at LFSLeaseEnd.com for more information.
