Notice to California Residents: Applicant, if married, may apply for a separate account.

Notice to Maine, Rhode Island and Tennessee Residents: You must have physical damage insurance covering loss or damage to the vehicle for the term of any contract. For a lease, you must also have the liability insurance as described in the lease. You may buy this insurance from anyone you choose. You do not have to buy it from someone affiliated with the dealer or an assignee of this contract. Your choice of insurance will not affect the credit approval process unless the insurance does not satisfy the contract requirements or the insurance company does not satisfy the reasonable standards of the dealer or an assignee of the contract.

Notice to New Hampshire Residents: If you are applying for a balloon payment contract, upon request and before entering into the balloon payment contract, you are entitled to receive a written estimate of the monthly payment amount for refinancing the balloon payment in accord with the creditor's existing refinance programs. A balloon contract is an installment sale contract with a scheduled final payment that is at least twice the amount of one of the earlier scheduled equal periodic installment payments.

Notice to New York Residents: In connection with this application, we may request a consumer report on you. If you request, we will inform you whether or not a consumer report was requested and, if it was, of the name and address of the consumer reporting agency that furnished the report. Additional consumer reports may be ordered without further notice to you in connection with any update, renewal or extension of credit granted.

Notice to Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio civil rights commission administers compliance with this law.

Notice to Rhode Island Residents: Credit Reports may be obtained in connection with this application for credit.
